Annual Lily Banquet Fundraiser Cancelled

This year's Lily Banquet on Wednesday, May 13, 2020 has been cancelled.

Many groups and regions in Canada are heeding the advice of public health and medical professionals concerning the COVID-19 virus, and are suspending large gatherings and postponing meetings and events. It is recommended that this is the best thing to do to help contain the spread of the virus, to keep people safe, and to avoid a critical burden on the health system.

The Foundation will revisit hosting the dinner in the Fall 2020 or Spring of 2021.

To learn more, I encourage each of you to visit the Health Canada page on Coronavirus (COVID-19) prevention.

Sincerely,

Sherry Trenholm, Chair
